Bob's Pirate Battles

MAXWELL WILLETT, ALAN FRUGE, JERONIMO PEREZ-ESCOLANO

Backstory

- Bob the Pirate had been sailing the Salty Seven Seas looking for treasure. When he finally found the long lost treasure of Johnny One-Eye. His cousin Brown Beard assaults him as he loads the treasure onto his ship. The crew of cut throats begin to attack him but luckily a cannon that was not fastened correctly begins to slide across the deck. Armed with his trusty and accurate Blunderbuss, Mary, he must take them all out before he runs out of time!

Game overview

How to Play: To Play you must kill all of the pirates on the opposite side of the screen. Move your Pirate up and down by tilting your phone towards the direction you want Bob the Pirate to go. Then Tap on the right side of the screen to shoot a bullet, but watch out, if you hit the cannon you lose time, and if you run out of time, you lose!
